Meet Laurie...

Founder & President
Priority Ministries

Laurie Cole is a speaker, Bible teacher, and author whose ministry is dedicated to encouraging and equipping women to give God *priority* in their lives.

Because of a deep hunger to know God's Word (and with no idea about how her entire life was about to change), Laurie enrolled in an in-depth women's Bible study when she was 27 years old. Encouraged by the older women who led the study, Laurie received training and eventually began teaching and leading a group where God affirmed His call upon her life to teach. Now, more than 20 years later, Laurie has taught dozens of Bible studies, spoken at numerous women's retreats and events, and has written three Bible studies. Her passion for God and hunger for His Word continues to grow.

Laurie founded *Priority Ministries* in 2003. A minister's wife, Laurie and her husband, Bill, serve the Lord at Sagemont Church in Houston, Texas. They have been married more than 30 years and have been blessed with three sons, one daughter-in-law, and two grandchildren.
