Volume 2, June 2010

Dear Partners and Friends,

June is usually a quiet month at Priority – but not this June! Here's the latest about what's happening and how you can pray for us:

- The Lord continues to provide for our newest Bible study project, *Beauty by The Book for Teens*. We've received 25% of the funds needed (PTL!). Your prayers and gifts toward this exciting outreach to teen-age girls are so needed and appreciated.
- God blessed the videotaping for *Beauty by The Book for Teens* in a powerful way, and the videos are now in the production phase. As soon as they're complete, you'll be the first to see samples.
- Currently, I'm working on the final revisions of the *Beauty by The Book for Teens* workbook. As I review the evaluations from the pilot and determine how to implement them into the final work, please pray that

I'll be sensitive to the Spirit's leading.

- We recently received approval from the U.S. Post Office to mail at non-profit rates. Join us in praising God for this huge blessing that will be a great savings to us.
- Check out the enclosed postcard that we just mailed to over 3500 Women's Ministry and Bible study leaders. As you hold it in your hand, would you ask God to take that simple card and turn it into many, many orders for Priority Bible Study resources that will encourage and equip women to give Him priority? Bless you!

I have one final praise and prayer request to share with you. Most of the donations Priority receives are one-time gifts, and I praise God for the generous hearts of His people to help us. One of our greatest needs, however, is Partners who will support us on a monthly basis. A \$10 to \$25 monthly gift makes a *tremendous* difference to a small, growing ministry like Priority. If you're not already a monthly Partner, would

you pray about becoming one? And if you are a monthly Partner, **thank you so much!**

How grateful I am to partner with you as we reach and teach women God's Word. May He find us (like Mary) choosing the one thing necessary – giving Him priority!

Your sister,

*Laurie*

Thanks for your generous gifts!  
We have received  
**\$15,068** of the **\$70,000**  
needed to produce this study.

Your gifts - **large and small** -  
will help us reach our goal.
