# There is a **Season** Experiencing Contentment in Every Season of Life

Laurie Cole is the Founder and President of Priority Ministries, a ministry dedicated to encouraging women to give God glory and priority.

She is a frequent speaker at women's events and conferences and the author of several Bible studies: *The Temple*, *Beauty by The Book*, and *Beauty by The Book for Teens*. A minister's wife, Laurie and her husband Bill serve the Lord at Sagemont Church in Houston, Texas, and they are the parents of three sons.

It's a familiar struggle for all women of faith: striving to live a consistent Christian life amid seasons of fluctuating hormones and stressful life circumstances. From periods to PMS, from "pre" to post-menopause, it's a real challenge to be a godly woman when you're riding a roller-coaster of hormonal ups and downs!

*There Is A Season* is an 11-week, in-depth Bible study designed especially for women. Whether you're young or old, married or single, a mother of preschoolers or an empty-nester, this study will guide you to the pages of God's Word where you will discover how to:

- Understand and identify the seasons of your life.
- Experience joy, meaning, and purpose in every season of your life.
- Discover contentment in every season of your life.

Intensely biblical, extremely practical, and totally female friendly, *There is a Season* will encourage you to become the consistent, contented Christian woman you've always wanted to be at every age and stage of your life.

*"To everything there is a season,  
and a time to every purpose under the heaven." Ecclesiastes 3:1*
